CyberSwamp Virtual Program

Greetings from CyberSwamp!

Thank you for choosing Camp Berry & Camp Lakota, both operated by the Black Swamp Area Council for your 2020 virtual summer camping experience we are affectionately calling "CyberSwamp".

It is **HIGHLY ENCOURAGED** to experience this "virtual" Camp in the outdoors as much as possible. If your local regulations allow and you can do so safely, we want everyone to CAMP outside the entire week. Get out and camp in your back yard...or however you can... just GET OUTDOORS! Find information guides and registration info [here!](#)

Scouts BSA Mini Sessions

Mini-Sessions are a 3-day, 2-night program, and will be offered at both Berry & Lakota. In this format, all participants will stay within their own "circle" and travel together throughout their time on camp. All the Scouts AND adults will participate in a round robin program schedule. Plenty of time will be set aside throughout the daily schedule for sanitation of program areas and equipment between uses. Scouts will also be required to wash hands, and follow social distancing protocols outside of their circle. Find information guides and registration info [here!](#)
