

AVIATION: FINDLAY AIRPORT

Post 2615 invites students to join them as they discuss all things aviation! Whether you're looking to become a pilot, aircraft mechanic, or an airport employee, the Exploring team at Findlay Airport has you covered!

Students ages 14-20 years of age can gain valuable experience working around aircrafts and gather insight on what goes on inside of an aviation department.

To learn more about this incredible program, please contact Exploring Executive Alexandra Patterson at Alex.Patterson@scouting.org
