Refund Policy

All refund requests must be on the refund request form. Most of the camp fees are spent before your troop arrives in camp. The refund request policy is noted below. Understand that this year, a minimum of \$25 per scout, is non-refundable.

- Requests received for “no-shows”, change of mind, and lack of leadership attending will not be honored.
- Request for refund involving unexpected sickness, or school purposes, will be honored.
- Refunds are not given at camp. Once verified, they are processed from the Council service center. A check will be mailed to the individual or entity paying the original fee.
- All refunds must be submitted to the Black Swamp Area Council office before the start of summer 2020 programming.

An exception to this policy is the event of an illness or injury, which keeps a Scout from arriving at camp, verified in writing by the parents/guardian and a physician. If summer programming cannot occur due to orders from the government, a full refund will be issued. Other extenuating circumstances, such as a death in the family, will certainly be taken into consideration on a case-by-case basis. All but \$25.00 will be refunded due to extenuating circumstances. A Scout is welcome to attend a different week.
